

Notes from Meeting of 08/22/16

Connect Communities/First Impressions Committee

The Committee met at the Coffeehouse at Pine and Chestnut on August 22nd. The purpose of the meeting was to establish organizational procedures and to map out the next steps.

The Committee agreed that it would proceed with the First Impressions initiative first and make an application to participate in the Connect Communities program later in the Fall. Chamber Director Jan Ludtke said that she would research her files to find information from Burlington's previous participation in the First Impressions program which involved a partnership with Fort Atkinson.

The group also agreed that someone should contact the University of Wisconsin-Extension to learn more detail and for assistance in getting started. **(Note to Megan-I have contacted UW-Ex and have arranged to have Kristin Runge, the staff person assigned to First Impressions, meet with the committee on September 27th.)**

The Committee agreed that we would meet regularly on the 3rd Tuesday of the month @ 7:30am at The Coffeehouse with the exception of the September meeting which will be held on September 27th at 7:30am at the Coffeehouse.
